Learn about Moms in Prayer

Our vision is that every school in the world would be covered with prayer.

What if you could change the world—not just for today but for generations to come? At Moms in Prayer International, we believe that a mom can be the single greatest force for good in the lives of her children and the children around her. We believe that lives and whole communities are changed forever when moms gather together to pray. Moms can make the difference—moms just like you.

About Moms in Prayer

Moms in Prayer International is a worldwide ministry devoted to covering every child and every school in prayer. Started in 1984 in Abbotsford, British Columbia, we are now headquartered in beautiful Poway, California and have prayer groups in over 145 countries. Moms in Prayer exists because one mom felt a burden to pray for her children with another mom ... and we have grown into a global movement of prayer, to impact children and schools for Christ. A movement made of moms like you.
