

Dear Lillian UMC family,

By all accounts, our Vacation Bible School (VBS) was a tremendous success. As I have said before, only eternity will reveal the seeds sown and the fruit that will be borne because of our VBS.

Thanks again to our Children's Department Director, Joyce Ellison. Thanks to the many volunteers who unselfishly provided the materials, food, snacks, and supplies needed to sustain VBS for the week. The most exciting part of VBS was observing the nightly workers and seeing so many new faces. Several of the "old timers" were unable to participate this year. Rather than having to curtail the programs, new folks happily stepped up, and stepped into the gap.

In our talks about Martha and Mary, we always declare that there is a time to get quiet before our Lord, and there is also a time to serve. VBS is clearly a time to serve. As Lay Leader, it always warms my heart to see our people serve so graciously and abundantly.

See you Sunday,

Perry Cunningham
Lay Leader
