Proverbs 31:10, 25-31

“A wife of noble character who can find? She is worth far more than rubies. She is clothed with strength and dignity; she can laugh at the days to come. She speaks with wisdom, and faithful instruction is on her tongue. She watches over the affairs of her household and does not eat the bread of idleness. Her children arise and call her blessed; her husband also, and he praises her: “Many women do noble things, but you surpass them all.” Charm is deceptive, and beauty is fleeting; but a woman who fears the Lord is to be praised. Give her the reward she has earned, and let her works bring her praise among others.”
