

Dear Lillian Methodist Church family,

Vacation Bible School (VBS) is just about here. This year's theme is "Scuba." All divers and former divers are invited to help the kids experience all things scuba. All non-divers are also invited. Everyone involved will help the kids experience the love of this church, in the name of Jesus.

I have many cherished memories of working with the kids in years past. As a newcomer to Lillian Methodist, my first year's participation was simply to bring my grandchildren each night. In the following years, I did a variety of jobs, played a variety of roles, some very challenging. Each VBS caused me to grow in my love and appreciation for my church family.

Joyce Ellison always manages to pull a team together that covers every spectrum of this annual ministry. One of the most important positions is in providing the supplies needed for the nightly meals. It is important because it is something any and every one can do. Kitchen support is vital. Finally, those who supervise and provide activities for the youngsters round out the necessary positions.

Volunteers are still needed for a variety of positions. Pray to find out what God would have you do. You may be surprised at what He tells you. You may surprise yourself at what a blessing you can be. To find out what you can do, call Joyce Ellison, at 251-752-5062.

See y'all Sunday,

Perry Cunningham  
Lay Leader
